

## TERMS AND CONDITIONS OF OPTIONS EXPIRING 10 SEPTEMBER 2022

The terms of the issue of the New Options are:

- (a) Each Option entitles the holder to one Share.
- (b) The exercise price of the Options is 3.5 cents (\$0.035) each.
- (c) The Options may be exercised at any time prior to 5:00pm Australian Eastern Standard Time on 10 September 2022 (**Expiry Date**).
- (d) The Options are freely tradeable. The Options are quoted (ASX: MAYO).
- (e) The Company has provided on its website a notice that is to be completed when exercising the Options (**Notice of Exercise**). Options may be exercised by the Option holder in whole or in part by completing the Notice of Exercise and forwarding the same to the secretary of the Company to be received prior to the Expiry Date. The Company will process all relevant documents received at the end of every calendar month.
- (f) Upon the exercise of an Option and receipt of all relevant documents and payment, the holder will be issued a Share ranking equally with the then issued Shares.
- (g) There are no participating rights or entitlements inherent in the Options and the holders will not be entitled to participate in new issues or pro-rata issues of capital to Shareholders during the term of the Options. Thereby, the Option holder has no rights to a change in the exercise price of the Option or a change to the number of underlying securities over which the Option can be exercised except in the event of a bonus issue. The Company will ensure, for the purposes of determining entitlements to any issue, that Option holder will be notified of a proposed issue after the issue is announced. This will give Option holders the opportunity to exercise their Options prior to the date for determining entitlements to participate in such issues.
- (h) If on or prior to the Expiry Date the Company makes a bonus issue of securities to holders of Shares in the Company, then upon exercise of his or her Options a holder will be entitled to have issued to him or her (in addition to the Shares which he or she is otherwise entitled to have issued to him or her upon such exercise) the number of securities which would have been issued to him or her under that bonus issue if the Options had been exercised before the record date for the bonus issue.
- (i) In the event of any reconstruction (including consolidation, subdivisions, reduction or return) of the issued capital of the Company, all rights of the Option holder are to be changed in a manner consistent with the Listing Rules.
